

Metro Louisville Human Rights Day Celebration

Friday Dec 10, 2021

7 - 8:30 PM (Eastern Time)

This is an All Virtual Event

Sponsored by the Justice Center at All Peoples

a Unitarian Universalist Congregation

Where, after all, do universal human rights begin? In small places, close to home -- so close and so small that they cannot be seen on any maps of the world. [...] Unless these rights have meaning there, they have little meaning anywhere. Without concerted citizen action to uphold them close to home, we shall look in vain for progress in the larger world.

Eleanor Roosevelt

On Dec 10, 1948, the International Community through the United Nations unanimously adopted the *UN Declaration of Human Rights* the first time that fundamental human rights were identified and the responsibilities of governments to protect these human rights. Join the Justice Center at ALL Peoples in honoring this day and examining our current state of Human Rights.

Joining us include:

- Jazz Singer and Activist Harry Pickens
- Feminist Activist Tina Ward-Pugh
- Youth Activist Kyndia Motley
- Congressman John Yarmuth (tentative)
- Singer Songwriter Dawn Landes
- Activist and ED of Americana Community Center Edgardo Mancilla
